COMMITTEE ON HOMELAND SECURITY
Committee Rules
Adopted January 26, 2011

Rule I.—GENERAL PROVISIONS.

(A) *Applicability of the Rules of the U.S. House of Representatives.*—The Rules of the U.S. House of Representatives (the “House”) are the rules of the Committee on Homeland Security (the “Committee”) and its subcommittees insofar as applicable.

(B) *Applicability to Subcommittees.*—Except where the terms “Full Committee” and “subcommittee” are specifically mentioned, the following rules shall apply to the Committee’s subcommittees and their respective Chairmen and Ranking Minority Members to the same extent as they apply to the Full Committee and its Chairman and Ranking Minority Member.

(C) *Appointments by the Chairman.*—Clause 2(d) of Rule XI of the House shall govern the designation of a Vice Chairman of the Full Committee.

(D) *Recommendation of Conferees.*—Whenever the Speaker of the House is to appoint a conference committee on a matter within the jurisdiction of the Full Committee, the Chairman shall recommend to the Speaker of the House conferees from the Full Committee. In making recommendations of Minority Members as conferees, the Chairman shall do so with the concurrence of the Ranking Minority Member of the Committee.

(E) *Motions to Disagree.*—The Chairman is directed to offer a motion under clause 1 of Rule XXII of the Rules of the House whenever the Chairman considers it appropriate.

(F) *Committee Website.*—The Chairman shall maintain an official Committee web site for the purposes of furthering the Committee’s legislative and oversight responsibilities, including communicating information about the Committee’s activities to Committee Members, other Members, and the public at large. The Ranking Minority Member may maintain a similar web site for the same purposes. The official Committee web site shall display a link on its home page to the web site maintained by the Ranking Minority Member.

(G) *Activity Report.* – Not later than the 30th day after June 1 and December 1, the Committee shall submit to the House a semiannual report on the activities of the Committee. After adjournment *sine die* of a regular session of Congress, or after December 15, whichever

occurs first, the Chair may file the second or fourth semiannual report with the Clerk at any time and without approval of the Committee provided that a copy of the report has been available to each Member of the Committee for at least seven calendar days and the report includes any supplemental, minority, or additional views submitted by a Member of the Committee.

Rule II.—TIME OF MEETINGS.

(A) *Regular Meeting Date.*—The regular meeting date and time for the transaction of business of the Full Committee shall be at 10:00 a.m. on the first Wednesday that the House is in Session each month, unless otherwise directed by the Chairman.

(B) *Additional Meetings.*—At the discretion of the Chairman, additional meetings of the Committee may be scheduled for the consideration of any legislation or other matters pending before the Committee or to conduct other Committee business. The Committee shall meet for such purposes pursuant to the call of the Chairman.

(C) *Consideration.*—Except in the case of a special meeting held under clause 2(c)(2) of House Rule XI, the determination of the business to be considered at each meeting of the Committee shall be made by the Chairman.

Rule III.—NOTICE AND PUBLICATION.

(A) *Notice.*—

(1) *Hearings.*—Pursuant to clause 2(g)(3) of rule XI of the Rules of the House of Representatives, the Chairman of the Committee shall make public announcement of the date, place, and subject matter of any hearing before the Full Committee or subcommittee, which may not commence earlier than one week after such notice. However, if the Chairman of the Committee, with the concurrence of the Ranking Minority Member, determines that there is good cause to begin the hearing sooner, or if the Committee so determines by majority vote, a quorum being present for the transaction of business, the Chairman shall make the announcement at the earliest possible date. The names of all witnesses scheduled to appear at such

Committee Rules

hearing shall be provided to Members no later than 48 hours prior to the commencement of such hearing.

(2) *Meetings.*—The date, time, place and subject matter of any meeting, other than a hearing or a regularly scheduled meeting, may not commence earlier than the third day on which Members have notice thereof except in the case of a special meeting called under clause 2(c)(2) of House Rule XI. These notice requirements may be waived if the Chairman with the concurrence of the Ranking Minority Member, determines that there is good cause to begin the meeting sooner or if the Committee so determines by majority vote, a quorum being present for the transaction of business.

(a) Copies of any measure or matter to be considered for approval by the Committee at any meeting, including any mark, print or amendment in the nature of a substitute shall be provided to the Members at least 24 hours in advance.

(b) At least 24 hours prior to the commencement of a meeting for the markup of a measure or matter, the text of such measure or matter, including any mark, print or amendment in the nature of a substitute, shall be made publicly available in electronic form and, to the extent practicable, posted on the official Committee web site.

(c) Not later than 24 hours after concluding a meeting to consider a measure or matter, the text of such measure or matter as ordered forwarded or reported, including any adopted amendments, shall be made publicly available in electronic form and, to the extent practicable, posted on the official Committee web site.

(3) *Publication.*—The meeting or hearing announcement shall be promptly published in the Daily Digest portion of the Congressional Record. To the greatest extent practicable, meeting announcements shall be entered into the Committee scheduling service of the House Information Resources.

Rule IV.—OPEN MEETINGS AND HEARINGS; BROADCASTING.

(A) *Open Meetings.*—All meetings and hearings of the Committee shall be open to the public including to radio, television, and still photography coverage,

except as provided by Rule XI of the Rules of the House or when the Committee, in open session and with a majority present, determines by recorded vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, compromise sensitive law enforcement information, tend to defame, degrade or incriminate a witness, or violate any law or rule of the House of Representatives.

(B) *Broadcasting.*—Whenever any hearing or meeting conducted by the Committee is open to the public, the Committee shall permit that hearing or meeting to be covered by television broadcast, internet broadcast, print media, and still photography, or by any of such methods of coverage, in accordance with the provisions of clause 4 of Rule XI of the Rules of the House. Operation and use of any Committee operated broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of Rule XI and all other applicable rules of the Committee and the House. Priority shall be given by the Committee to members of the Press Galleries. Pursuant to clause 2(e) of rule XI of the Rules of the House of Representatives, the Committee shall, to the greatest extent practicable, provide audio and video coverage of each hearing or meeting in a manner that allows the public to easily listen to and view the proceedings and shall maintain the recordings of such coverage in a manner that is easily accessible to the public.

(C) *Transcripts.*—A transcript shall be made of the testimony of each witness appearing before the Committee during a Committee hearing. All transcripts of meetings or hearings that are open to the public shall be made available.

Rule V.—PROCEDURES FOR MEETINGS AND HEARINGS.

(A) *Opening Statements.*—At any meeting of the Committee, the Chairman and Ranking Minority Member shall be entitled to present oral opening statements of five minutes each. Other Members may submit written opening statements for the record. The Chairman presiding over the meeting may permit additional opening statements by other Members of the Full Committee or of that subcommittee, with the concurrence of the Ranking Minority Member.

(B) *The Five-Minute Rule.*—The time any one Member may address the Committee on any bill, motion, or other matter under consideration by the Committee shall not exceed five minutes, and then only when the Member has been recognized by the Chairman, except

Committee Rules

that this time limit may be extended when permitted by unanimous consent.

(C) *Postponement of Vote.*—The Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman may resume proceedings on a postponed vote at any time, provided that all reasonable steps have been taken to notify Members of the resumption of such proceedings, including, when practicable, circulation of notice by the Clerk of the Committee. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(D) *Contempt Procedures.*—No recommendation that a person be cited for contempt of Congress shall be forwarded to the House unless and until the Full Committee has, upon notice to all its Members, met and considered the alleged contempt. The person to be cited for contempt shall be afforded, upon notice of at least 72 hours, an opportunity to state why he or she should not be held in contempt prior to a vote of the Full Committee, with a quorum being present, on the question whether to forward such recommendation to the House. Such statement shall be, in the discretion of the Chairman, either in writing or in person before the Full Committee.

Rule VI.—WITNESSES.

(A) *Questioning of Witnesses.*—

(1) Questioning of witnesses by Members will be conducted under the five-minute rule unless the Committee adopts a motion permitted by clause 2(j)(2) of House Rule XI.

(2) In questioning witnesses under the five-minute rule, the Chairman and the Ranking Minority Member shall first be recognized. In a subcommittee meeting or hearing, the Chairman and Ranking Minority Member of the Full Committee are then recognized. All other Members that arrive before the commencement of the meeting or hearing will be recognized in the order of seniority on the Committee, alternating between Majority and Minority Members. Committee Members arriving after the commencement of the hearing shall be recognized in order of appearance, alternating between Majority and Minority Members, after all Members present at the

beginning of the hearing have been recognized. Each Member shall be recognized at least once before any Member is given a second opportunity to question a witness.

(3) The Chairman, in consultation with the Ranking Minority Member, or the Committee by motion, may permit an extension of the period of questioning of a witness beyond five minutes but the time allotted must be equally apportioned to the Majority party and the Minority and may not exceed one hour in the aggregate.

(4) The Chairman, in consultation with the Ranking Minority Member, or the Committee by motion, may permit Committee staff of the Majority and Minority to question a witness for a specified period of time, but the time allotted must be equally apportioned to the Majority and Minority staff and may not exceed one hour in the aggregate.

(B) *Minority Witnesses.*—Whenever a hearing is conducted by the Committee upon any measure or matter, the Minority party Members on the Committee shall be entitled, upon request to the Chairman by a majority of those Minority Members before the completion of such hearing, to call witnesses selected by the Minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(C) *Oath or Affirmation.*—The Chairman of the Committee or any Member designated by the Chairman, may administer an oath to any witness.

(D) *Statements by Witnesses.*—

(1) Consistent with the notice given, witnesses shall submit a prepared or written statement for the record of the proceedings (including, where practicable, an electronic copy) with the Clerk of the Committee no less than 48 hours in advance of the witness's appearance before the Committee. Unless the 48 hour requirement is waived or otherwise modified by the Chairman, after consultation with the Ranking Minority Member, the failure to comply with this requirement may result in the exclusion of the written testimony from the hearing record and/or the barring of an oral presentation of the testimony. The Clerk of the Committee shall provide any such prepared or written statement submitted to the Clerk prior to the hearing to the Members of the Committee prior to the commencement of the hearing.

(2) To the greatest extent practicable, the written testimony of each witness appearing in a non-

Committee Rules

governmental capacity shall include a curriculum vita and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years by the witness or by an entity represented by the witness. Such disclosures shall be made publicly available, with appropriate redactions to protect the privacy of the witness, in electronic form not later than one day after the witness appears.

Rule VII.—QUORUM.

Quorum Requirements.—Two Members shall constitute a quorum for purposes of taking testimony and receiving evidence. One-third of the Members of the Committee shall constitute a quorum for conducting business, except for (1) reporting a measure or recommendation; (2) closing Committee meetings to the public, pursuant to Committee Rule IV; (3) authorizing the issuance of subpoenas; and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law. Subject to availability of space on the dais, Committee Members' personal staff may be present on the dais during a hearing if their employing Member is seated on the dais and during a markup or other meeting if their employing Member is the author of a measure or amendment under consideration by the Committee, but only during the time that the measure or amendment is under active consideration by the Committee, or otherwise at the discretion of the Chairman, or of the Ranking Minority Member for personal staff employed by a Minority Member.

(C) *Wireless Communications Use Prohibited.*—During a hearing, mark-up, or other meeting of the

To the greatest extent practicable, no more than one meeting and hearing should be scheduled for a given time.

The Ranking Minority Member of the Committee shall similarly choose the Ranking Minority Member of the panel.

(D) *Ex Officio Members.*—The Chairman and Ranking Minority Member of the Full Committee may serve as ex-officio Members of each committee panel but are not authorized to vote on matters that arise before a committee panel and shall not be counted to satisfy the quorum requirement for any purpose other than taking testimony.

(E) *Applicability of Committee Rules.*—Any designated panel shall be subject to all Committee Rules herein.

Rule XI.—REFERRALS TO SUBCOMMITTEES.

In referring any measure or matter to a subcommittee, the Chair may specify a date by which

the subcommittee shall report thereon to the Full Committee. Bills or other matters referred to subcommittees may be reassigned or discharged by the Chairman.

RULE XII.—SUBPOENAS.

(A) *Authorization.*—Pursuant to clause 2(m) of Rule XI of the House, a subpoena may be authorized and issued under the seal of the House and attested by the Clerk of the House, and may be served by any person designated by the Full Committee for the furtherance of an investigation with authorization by—

(1) a majority of the Full Committee, a quorum being present; or

(2) the Chairman of the Full Committee, after consultation with the Ranking Minority Member of the Full Committee, during any period for which the House has adjourned for a period in excess of 3 days pursuant to a concurrent resolution when, in the opinion of the Chairman of the Full Committee, authorization and issuance of the subpoena is necessary to obtain the material or testimony set forth in the subpoena. The Chairman of the Full Committee shall notify Members of the Committee of the authorization and issuance of a subpoena under this rule as soon as practicable, but in no event later than one week after service of such subpoena.

(B) *Disclosure.*—Provisions may be included in a subpoena with the concurrence of the Chairman and the Ranking Minority Member of the Full Committee, or by the Committee, to prevent the disclosure of the Full Committee's demands for information when deemed necessary for the security of information or the progress of an investigation, including but not limited to prohibiting the revelation by witnesses and their counsel of Full Committee's inquiries.

(C) *Subpoena duces tecum.*—A subpoena *duces tecum* may be issued whose return to the Committee Clerk shall occur at a time and place other than that of a regularly scheduled meeting.

(D) *Affidavits and Depositions.*—The Chairman of the Full Committee, in consultation with the Ranking Minority Member of the Full Committee, or the Committee may authorize the taking of an affidavit or deposition with respect to any person who is subpoenaed under these rules but who is unable to appear in person to testify as a witness at any hearing or meeting. Notices for the taking of depositions shall

Committee Rules

Prior consultation with the Ranking Minority Member of the Full Committee shall include written notice three business days before any deposition is scheduled to provide an opportunity for Minority staff to be present during the questioning.

RULE XIII.—COMMITTEE STAFF.

(A) *Generally.*—Committee staff members are subject to the provisions of clause 9 of House Rule X and must be eligible to be considered for routine access to classified information.

(B) *Staff Assignments.*—For purposes of these rules, Committee staff means the employees of the Committee, detailees, fellows, or any other person engaged by contract or otherwise to perform services for, or at the request of, the Committee. All such persons shall be either Majority, Minority, or shared staff. The Chairman shall appoint, determine remuneration of, supervise, and may remove Majority staff. The Ranking Minority Member shall appoint, determine remuneration of, supervise, and may remove Minority staff. In consultation with the Ranking Minority Member, the Chairman may appoint, determine remuneration of, supervise and may remove shared staff that is assigned to service of the Committee. The Chairman shall certify Committee staff appointments, including appointments by the Ranking Minority Member, as required.

(C) *Divulgence of Information.*—Prior to the public acknowledgement by the Chairman or the Committee of a decision to initiate an investigation of a particular person, entity, or subject, no member of the Committee staff shall knowingly divulge to any person any information, including non-classified information, which comes into his or her possession by virtue of his or her status as a member of the Committee staff, if the member of the Committee staff has a reasonable expectation that such information may alert the subject of a Committee investigation to the existence, nature, or substance of such investigation, unless authorized to do so by the Chairman or the Committee.

RULE XIV.—COMMITTEE MEMBER AND COMMITTEE STAFF TRAVEL.

(A) *Approval of Travel.*—Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, travel to be

reimbursed from funds set aside for the Committee for any Committee Member or Committee staff shall be paid only upon the prior authorization of the Chairman. Travel may be authorized by the Chairman for any Committee Member or Committee staff only in connection with official Committee business, such as the attendance of hearings conducted by the Committee and meetings, conferences, site visits, and investigations that involve activities or subject matters under the general jurisdiction of the Full Committee.

(1) *Proposed Travel by Majority Party Committee Members and Committee Staff.*—In the case of proposed travel by Majority party Committee Members or Committee staff, before such authorization is given, there shall be submitted to the Chairman in writing the following: (a) the purpose of the travel; (b) the dates during which the travel is to be made and the date or dates of the event for which the travel is being made; (c) the location of the event for which the travel is to be made; (d) the estimated total cost of the travel; and (e) the names of Members and staff seeking authorization. On the basis of that information, the Chairman shall determine whether the proposed travel is for official Committee business, concerns a subject matter under the jurisdiction of the Full Committee, and is not excessively costly in view of the Committee business proposed to be conducted.

(2) *Proposed Travel by Minority Party Committee Members and Committee Staff.*—In the case of proposed travel by Minority party Committee Members or Committee staff, the Ranking Minority Member shall provide to the Chairman a written representation setting forth the information specified in items (a), (b), (c), (d) and (e) of subparagraph (1) and his or her determination that such travel complies with the other requirements of subparagraph (1).

(B) *Foreign Travel.*—All Committee Members and Committee staff requests for foreign travel must include a written representation setting forth the information specified in items (a), (b), (c), (d) and (e) of subparagraph (A)(1) and be submitted to the Chairman not fewer than ten business days prior to the start of the travel. Within thirty days of the conclusion of any such foreign travel authorized under this rule, there shall be submitted to the Chairman a written report summarizing the information gained as a result of the travel in question, or other Committee objectives

Committee Rules

served by such travel. The requirements of this section may be waived or abridged by the Chairman.

(C) *Compliance with Committee Travel Policy and Guidelines.*—Travel must be in accordance with the Committee Travel Policy and Guidelines, as well as with House Rules, the Travel Guidelines and Regulations and any additional guidance set forth by the Committee on Ethics and the Committee on House Administration. Committee Members and staff shall follow these rules, policies, guidelines, and regulations in requesting and proceeding with any Committee-related travel.

RULE XV.—CLASSIFIED AND CONTROLLED UNCLASSIFIED INFORMATION.

(A) *Security Precautions.*—Committee staff offices, including Majority and Minority offices, shall operate under strict security precautions administered by the Security Officer of the Committee. A security officer shall be on duty at all times during normal office hours. Classified documents and controlled unclassified information (CUI)—formerly known as sensitive but unclassified (SBU) information—may be destroyed, discussed, examined, handled, reviewed, stored, transported and used only in an appropriately secure manner in accordance with all applicable laws, executive orders, and other governing authorities. Such documents may be removed from the Committee’s offices only in furtherance of official Committee business. Appropriate security procedures, as determined by the Chairman in consultation with the Ranking Minority Member, shall govern the handling of such documents removed from the Committee’s offices.

(B) *Temporary Custody of Executive Branch Material.*—Executive branch documents or other materials containing classified information in any form that were not made part of the record of a Committee hearing, did not originate in the Committee or the House, and are not otherwise records of the Committee shall, while in the custody of the Committee, be segregated and maintained by the Committee in the same manner as Committee records that are classified. Such documents and other materials shall be returned to the Executive branch agency from which they were obtained at the earliest practicable time.

(C) *Access by Committee Staff.*—Access to classified information supplied to the Committee shall be limited to Committee staff members with appropriate security clearances and a need-to-know, as determined by the

Chairman or Ranking Minority Member, and under the direction of the Majority or Minority Staff Directors.

(D) *Maintaining Confidentiality.*—No Committee Member or Committee staff shall disclose, in whole or in part or by way of summary, to any person who is not a Committee Member or authorized Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, any testimony given before the Committee in executive session.
